ABOUT US

Noble Smile Dental Clinic (NSDC) is a high standard of care-oriented dental practice. Our team consists of dentists and dental assistants with American, British, and International education to provide our patients with the upmost care utilizing the latest dental technologies. Our multi-disciplinary team approach makes NSDC unique in providing comprehensive dental cosmetic and maxillofacial care.

NSDC now has three full time dental clinics working for our clients service. We are creating our relaxed and comfortable dental care centre which immediately relaxes our clients, giving them that feel at home ambience. We have special dental programs for dental check up, cosmetics and full mouth rehabilitation. Procedures are done under special care and follow evidence based approaches.

NSDC is implementing a very good follow our protocol for all clients which makes our dental practice stands at higher level. What make us unique is that we care about the dental related issues as whole and we try to treat it completely with different dental specialties available in our practice.

NSDC new development is looking forward to have her clients more satisfied. Now, we are very proud of our new setup and system which is oriented to have convenient, comfortable and high-tech.
